

## SPEAKING 1

Type of Activity: whole class, information search ( asking and giving personal information )

Lexical Areas: occupations and hobbies

Vocabulary: age / married / single / divorced / child / children / job // technician / retired / electrician / nurse / policewoman / student / housewife / accountant / teacher / librarian / secretary / bank manager / actress / tennis / football / gardening / swimming / sailing / guitar / knitting / cooking / drinking / talking / judo / woodwork / painting / crosswords / piano / reading / art / pottery.

How to use the game:

Suggested minimum of 7 or 8. Up to 16 students. If fewer than 16, questions should be deleted from the questionnaire.

One role-card for each student. Allow a little time for them to become familiar with the information.

One questionnaire for each student. Explain new words on the questionnaire. First, they make questions in the blanks provided. Revise those questions.

The object of the game is to find all the people described on the questionnaire. They work in pairs and move around the class ( or change partners ) to find all the answers they need.
